NEW MEDIATION IN COAL STRIKE

Secretary Lane and Bernard Baruch Trying to End Big Walkout.

COAL PRODUCTION INCREASES

More Miners Return to Pits in West Virginia-Hines Says No Community Need Fear That Supply Will Be Shut Off.

. Washington, Nov. 7 .- While the government is standing pat in its opposition to the soft coal strike and is enforcing the law and taking other steps to uphold the position of the ident that the strike is unlawful and an attack upon the public interest and the government, Franklin K. Lane, secretary of the interior, chairman of the recent industrial conference, and Bernard M. Baruch, chairman of the public group in that body, are quietly engaged in informal mediation between the coal operators and miners with a view to arriving at some basis lcan peace delegates at Paris, has ed and negotiations begun with honor treasury, succeeding L. S. Rowe.

to both sides. Information in the hands of govern ment officials in touch with the strike LOSSES situation indicated an increase in binous coal production, especially In the West Virginia fields.

A further defection in union forces ONLY PART OF YUDENITCH'S vas noted in the early morning reports, although officials were not able to say whether the break in the union

This phase of the situation is being watched closely by the government departments, particularly the railroad nistration and the department of

Director General Hines reiterated that no community need fear that it ould be cut off entirely from fuel upplies so long as the stocks under rision of the railroad administration last. He declared the primary purse of the machinery set up by his fice was to guard against concentration of coal stocks in one section to the detriment of another.

Railroad administration officials reused to accept seriously published rerts of traffic congestion in some of

Government Refuses to Vacate Legal Proceedings Against Coal Strikers.

GOMPERS APPEAL IS IN VAIN

Operators Declare He Has Misrepre sented the Facts-People's Attitude Toward Radical Labor Leadership Shown in Massachusetts Election.

By EDWARD W. PICKARD. Firmly refusing to be put in the position of compounding a felony, the federal government has rejected the proposition of the union labor leaders that it abandon the legal proceedings

against the coal strike as a preliminary to negotiations for peace. On Saturday Assistant Attorney General Ames asked Federal Judge Anderson at Indianapolis to make permanent the restraining order, thus establishing the illegality of the strike. If this is done, according to the leaders of the miners, the strike will be

resist to the last any attempt at wrongful compulsion," In most of the bituminous fields there was little change in the status, though operators in Colorado and West Virginia reported gains in pro-

duction. Carbon, in the heart of the Kanawha army headquarters under date of Wedregion, told newspaper men that the nesday says that white troops have rewould be entirely satisfied with any connection with the killings. The men has the right to override. Were were appeals for the release of the support of the kanawha army headquarters under date of Wednesday says that white troops have rewould be entirely satisfied with any connection with the killings. The there were appeals for the release of the support of the kanawha army headquarters under date of Wednesday says that white troops have rewould be entirely satisfied with any connection with the killings. The there were appeals for the release of the support of the kanawha army headquarters under date of the support of the kanawha army headquarters under date of the support of th save fuel: in some places the schools

were closed for short periods. President Wilson gave to Fuel Administrator Garfield full authority over prices, distribution and shipment to the railroad administration his authority over distribution.

Such broadly was the coal strike was little sign of yielding on either side. The operators of Illinois were of the opinion that the strike would public opinion and the government would compel the miners to call it | Col. Theodore Roosevelt to the asoff and accept arbitration, in which case the operators would agree to the five-day week, if assured of adequate supply of cars, and would grant an

increase of wages. Samuel Gompers, who with W. S. neers, has been working to bring about a compromise, made the appeal for vacation of the injunction against the signed to justify the demands made by the strikers and accusing the operators of much wrongdoing and unfairness. The latter retorted with a statement saying that Mr. Gompers' pronouncement was full of misrepre-

sentations, continuing: "It is not true that the operators representatives walked out of Secretary Wilson's conference, leaving Mr. Lewis with no alternative but to call a strike. The operators' representatives accepted President Wilson's proposal in its entirety and withdrew from the conference in order that their presence might not embarrass Secretary Wilson in his effort to persuade the miners to take the honorable course thus opened to them.

"At the time of their withdrawal, the operators advised Secretary Wilson that they would remain in Washington, awaiting his call to further

conference. "It is not true, as Mr. Gompers im plies, that the miners are not permitted by the operators to work full time. ceau's paper, claims information from The operators have no control over a good source that President Wilson the demand for coal. They can merely is not worrying about the opposition in stand ready to produce and furnish declaring the United States is not it when the public requires and is
